

Hello!

San Juan College is formerly offering a Paramedic program, commencing January, 2012! This program has ambitions of fulfilling the needs of EMTs, in San Juan County and surrounding areas, who wish to expand their education and training to include paramedicine.

The details of this course are as follows:

1. Classes will commence on the first day of the Spring semester, January 11, 2012.
2. Classes will meet on a Tues-Weds-Thurs schedule, 8a-5p.
3. The Paramedic course is a 1500 hour course, which encompasses a didactic section, labs/skills sessions, clinical rotations, and a field internship.
4. The Spring 2012 Paramedic course will run a total of 3 semesters, including Spring 2012, Summer 2012, and Fall 2012, graduating in December of 2012.
5. SJC offers the option of taking the Paramedic course for certificate only or as an Associate's Degree program.

If interested in our upcoming Paramedic Program, please email or call Diane Stahl and/or Mike Buldra, preferably by September 30, 2011.

Sincerely,

Mike Buldra and Diane Stahl
